Administrative Order NSL-604

Gentlemen:

Reference is made to your application for approval of a gas well location for your El Paso "J" Federal Well No. 1, a Wildcat, to be located 489.1 feet from the North line and 195.1 feet from the East line of Lot 11 of Section 3, Township 21 South, Range 26 East, WSPM, Eddy County, New Mexico.

Waivers of objection have been received from offsetting operators and the waiting period prescribed by Rule 104 F may be dispensed with in this instance. Therefore, by authority granted me by the provisions of Rule 104 F of the Commission Rules and Regulations, the above-described unorthodox location is hereby approved.

Very truly yours,
