13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the final site is ready for final inspection.)

Bass Enterprises Production Co respectfully requests approval to extend TA status on the referenced well. This well will be evaluated for potential through workover, recompletion, or for use as an SWD well at a later date. Until then annual mechanical integrity tests will be run to ensure that no pollution hazard exists.

Upon approval to extend TA status, a mechanical integrity test will be scheduled and the results filed with the BLM.
