Mr. Williams,

Enclosed for your review and approval you will find the original and three copies each of forms C-102, C-103, C-104, C-105, and C-116. You will also find a copie of the deviation tabulation and a sketch of the wellbore. Electric logs were sent in on original completion.

The well is presently shut in awaiting completion of electrical installation, and should be ready to start pumping by next week.

If I can be of further assistance in this matter please contact me.

Sincerely,

*Mike Copeland*
