This grid represents a standard section. You may
superimpose a non-standard section over this grid. Outline
the dedicated acreage and the separate leases within it
dedicated acreage. Show the well surface location and
bottom hole location. If it is directionally drilled, with
dimensions from the section lines in the cardinal direction
(Note: A legal location is determined from the perpendicular
distance to the edge of the tract.) If this is a high angle
horizontal hole show that portion of the well bore that
open within this pool.

Show all lots, lot numbers, and their respective acreage
If more than one lease has been dedicated to the
completion, outline each one and identify the ownership
to both working interest and royalty.

The signature, printed name, and title of the person
authorized to make this report, and the date this document
was signed.

17.

The registered surveyors certification. This section does
not have to be completed if this form has been previously
accepted by the OCD and is being filed for a change of pool
or dedicated acreage.
