We stated in the APD's approved in this section, that we planned to set a tank battery on the pad site of the proposed Todd "25E" Federal #5. We want to move the tank battery site to Unit F of Section 25-T23S-R31E. The battery would be set on the pad site of the existing gas well in that 40 acres. As per Barry Hunt's instructions, we are submitting this sundry notice as well as a diagram of the proposed tank battery.

This battery would be used for any wells within this lease in Section 25-T23S-R31E (Eddy County, NM).
