

MULTI-POINT SURFACE USE AND OPERATIONS PLAN

DOMINION OKLAHOMA TEXAS E&P, INC.
SARAGOSSA 4 FEDERAL WELL NO. 3
EDDY COUNTY, NEW MEXICO
LEASE NO. NMNM 89154

This plan is submitted with the Application for Permit to Drill the above described well. The purpose of the plan is to identify the location of the proposed well, the proposed construction activities and operations plan, the magnitude of necessary surface disturbance involved and the procedures to be followed in rehabilitating the surface after completion of the operation so that a complete appraisal may be made of the environmental effects associated with the operation.

The well, and work area have been staked by a registered New Mexico land surveyor. Geo-Marine Inc. has been engaged to make an Class III Archaeological Survey of the work area. A copy is attached for your reference, see attached exhibit "A".

1. Existing Roads

A copy of the 7.5' Series Kitchen Cove, New Mexico" (Prov. Ed 1985) 32104-C3 quadrangle map is attached showing the proposed location. The well location is spotted on this map, which also shows the existing road system, see attached exhibit "B".
