Dear Sir:

We are in receipt of Form C-103, Plugging Report, on the above captioned wells. Before these forms can be approved you need to submit the following forms:

C-103 (3 copies) on surface casing on the T & P State #1.

C-105 (6 copies) well record on the Poker Lake State #3.

Also, if electric logs have been run on the above wells, one copy for each well is needed.

Very truly yours,

W. A. Gressett
