Sir:

We hereby acknowledge receipt of Form C-104, Request For Allowable, on the sub-
[redacted].

Further, according to said Form C-104, the 3 5/8" casing only has 250 sacks of
cement behind it, which would not cover the perforated interval.

Further, to date we have not received Form C-102, Acreage Dedication Plat, for
this lease.

If you have any questions concerning this matter, please feel free to call
open line.

Sincerely yours,

W.A. Gressett
Supervisor, District II
