Gentlemen:

One-hundred eighty days have elapsed since approval of Division Form C-101, Application For Permit To Drill, for the above captioned well, and to date no progress reports, Forms C-103, have been received.

Therefore, Division approval of Form C-101 has now expired and no drilling operations are to be initiated or continued without further notice to and approval by the Division. Pending such approval, this will be considered an abandoned location.

Very truly yours,
