**Kimbell Oil Company of Texas
BLM Form 3160-5 "Sundry Notice"
For
Salazar G 27 #1 Well
1650' FSL & 1840' FEL
Section 27-T25N-R6W
Rio Arriba County, New Mexico
API No.: 30-039-23081**

This Sundry Notice is to give Kimbell's Notice of Intent to Plug and Abandon the above referenced wellbore as previously approved by the BLM for the well's previous Operator Merrion Oil & Gas Company.

Kimbell herein requests that the BLM recind our previous written request dated January 1, 2002 to "cancel and revoke" the approved plugging and abandonment of this wellbore and reinstate the BLM's approval of same given verbally to KOC by Mr. Wayne Townsend on 11/26/02.

Kimbell had previously anticipated that it's working interest owners would approve the attempted recompletion of this wellbore into the Fruitland Coal zones, however, upon written notification from all owners, a sufficient majority was not received and Kimbell, as operator, was mandated to immediately Plug and Abandon this wellbore.

Kimbell then proceeded to notify The BLM of the initiation of plugging operations as previously approved and a Mr. Kevin Schneider arrived at the wellsite and witnessed the actual plugging and abandonment operations.
