Correction to previously approved Notice of Intent

On 6/18/01 BP America Production Company requested permission to recompletable the subject well from the Basin Dakota into the Basin Fruitland Coal. Approval was granted 7/10/01. Fruitland Coal is not correct. The NOI should have said "Fruitland Sand". The C-102 and procedure both say Fruitland Sand which is correct.

Therefore, the previously approved procedure and C-102 remain the same.

14. I hereby certify that the foregoing is true and correct.
