13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Please reference BLM letter of February 27, 2004. It is our intent to evaluate the subject well for economic viability of multi-well compression with Shaw Gas Com 1 & 1A. Upon positive results of evaluation, proposed procedure and application for permission to surface commingle will be submitted. We anticipate bringing this well back to production status in 4th qtr of 2004.

14. I hereby certify that the foregoing is true and correct.
