Merrion Oil & Gas planned to P&A the subject well by February 2003, however, the Navajo No. 1R replacement well APD has not been approved. The APD was filed 1/28/03, but the archaeological survey has not been completed. It is difficult to predict when the APD will be approved. We propose to complete the P&A of the Navajo No. 1 by September 15, 2003 subject to APD approval for the Navajo No. 1R.
