13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleation in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

As a follow-up to our Sundry NOI of April 15,2004, of our intent to hold the well in a shut-in status pending evaluation of uphole potential in the Fruitland Coal formation. Based on our review, no uphole potential exist in the subject well, therefore, we are requesting partner approval to plug and abandon. Plugging procedure is being formulated and weill be submitted for your approval within the next 10 to 15 days.

14. I hereby certify that the foregoing is true and correct.
