**Conditions of Approval - Subsequent Report of Abandonment**

1. Approval of this Notice is for the completed down-hole plugging of the well. Surface reclamation must be completed as outlined in the Conditions of Approval attached to the approval for plugging and abandonment.
2. When the wellsite is ready for final surface inspection, please contact this office and the Ute Mountain Ute Energy Office in order that an onsite inspection can be made. Final Abandonment Notice (FAN) can be submitted via Sundry Notice at that time.
3. After the FAN is approved by this office, your liability associated with the subject well will terminate.
