We have an approved APD to drill the referenced well. We have built location. Please grant approval for a surface reserve pit as described on the attached well location plat. We will line the reserve pit with a 12 mil plastic liner. No water will be permanently stored on location. Temporary water storage will be in water tight facilities. The blow pit will be lined and all dust suppression water will be recovered and pumped into the reserve pit. Water will be removed from location as soon as possible after drilling and completion operations. Drilling solids will remain on location and will be remediated with the location.

I hereby certify that the information above is true and complete to the best of my knowledge and belief. I further certify that any pit or below-grade tank has been/will be constructed or closed according to NMOCD guidelines ☒ a general permit ☐ or an (attached) alternative OCD-approved plan ☐.
