13 Describe Proposed or Completed Operations (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

The above well has been Plugged and Abandoned as of June 14, 2011. We have cut off wellhead, installed dry hole marker, reclamation is limited due to production equipment is still being used for tank battery purposes.

ACCEPTED FOR RECORD

JUL 14 2011

Will inspect for final abandonment once all equipment is removed & the pad is recontoured to the natural terrain.
