Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

Encana Oil & Gas (USA) Inc. (Encana) wishes to correct a typo on a Sundry submitted to the BLM on November 13, 2014 to modify the drilling plan to include a cemented production liner. The BHL listed in Box 4 of the 3150-5 form submitted on the 13th was incorrect. The correct BHL footage should have been 2217 FSL, 330 FWL Sec 36 T23N, R8W, as shown above. Please make note of this correction. The Directional Drilling Plan, 10-Point Drilling Plan and Wellbore Diagram associated with the November 13th sundry submittal are not being re-submitted because the correct BHL was referenced on all of those documents.
