13 Describe Proposed or Completed Operation Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones Attach the Bond under which the work will be performed or provide the Bond No on file with BLM/BIA Required subsequent reports must be filed within 30 days following completion of the involved operations If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection)

BP

Following up on and in response to BLM Letter of 8/12/11 from Mr. Steve Mason, and subsequent telephone conversation with Mr. Mason on 9/7/11: This well unfortunately can not be returned to Production, until Enterprise can ready their sales meter. We have been in touch with Enterprise, and at this time an estimated timing is approximately 10/31/11 We will continue to communicate with Enterprise, and we will keep the BLM informed.
