13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the final site is ready for final inspection.)

XTO Energy Inc., would like to request a one (1) year extension on the existing APD.

Conditions of Approval:

1. The extension of this APD approval is for a period of one year from the last extension date. This one year extension is to expire on February 28, 2013. This one year extension, plus the previous two year extension, in addition to the original two years given under the APD adds up to five years. This is the maximum amount of time that can be allowed for the the NEPA conducted under the permit.

No further APD extensions can be granted for this drilling permit.
