Dear Jonathan,

Enclosed is a form C-144 CLEZ for the Canyon Largo Unit #506 along with a modified C-144, per your request, for approval. The original C-144 was permitted and approved for a reserve pit and below grade tank. However, we have changed plans and will be using the closed loop system. The location has not been built, but should begin construction sometime next week.

Please let me know if you will need any additional information for the approval.

Thank you for your assistance.

Sincerely,

A handwritten signature in black ink that reads 'Catherine Smith'.
