13. Describe Proposed or Completed Operation. Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

XTO Energy Inc. has obtained a waiver from the surface land owner to drill and complete the above mentioned well during the closure.  
Please see attached waiver.

Dear Mrs. Cornell:

Reference is made to the Bureau of Land Management-Farmington Field Office ('BLM')-Seasonal Drilling Restrictions on Ensenada Mesa also known as the BLM Closure, in effect each year May 1 through July 31, during which XTO Energy Inc. ('XTO') drilling and completion operations is restricted on Owner Fee property unless so waived by Owner.

In as much as Owner and XTO have entered into a Surface Use and Compensation Agreement dated September 18, 2008 covering the Wells and a January 18, 2012 Letter Agreement revising the pipeline and access road alignments associated with the Breech C #248F Well which also allowed for 'drilling' only during the BLM Closure, XTO respectfully requests Owner Waive the BLM Closure as described next below.

Owner agrees to this Waiver of BLM Closure as it applies to the Wells to be drilled and completed by XTO on the above described Owner Fee properties and hereby waives the Seasonal Drilling Restrictions on Ensenada Mesa during the closure period.

If you are in agreement with this Waiver of BLM Closure, please indicate your acceptance below by *signing* and returning this Waiver via e-mail to [Paul.Lehrman@xtoenergy.com](mailto:Paul.Lehrman@xtoenergy.com). If you have any questions, please feel free to call Mike Simone at 970-560-5606.

Sincerely yours,  
XTO Energy Inc.

Paul M. Lehrman, Senior Land Surface Supervisor
