Response to BLM Letter of 05/24/2005

13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.

Reference is made to BLM letter of May 24, 2005, requesting that BP notify of our plans for the subject well which was temporarily abandoned. Please note that the subject well was transferred to CDX Rio, LLC effective January 1, 2004. Attached for your reference is a copy of documentation submitted changing operatorship of all our Jicarilla Assets.
