13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

This well was permitted as the infill for the Grenier #11 and should be shown a W/2 dedication instead of a S/2 Dedication for the Dakota. Attached is a plat showing the correct DK dedication for this well. The COM agreement – 240845 which this well falls under currently shows W/2 dedication, so no changes need to be made to the COM agreement. Please make a note of this change in your records.
