Dear Ms. Hill:

Please consider this a minor permit modification and correction to our July 3, 2013 authorization for off-lease measurement and sales of gas from the following well:

Good Times L10-2410 01H well located at a surface hole location in L, Section 10, T., 24N., R. 10W., and a bottom hole location in L, Section 9, T., 24N., R. 10W., Sandoval County, New Mexico on Federal Oil and Gas lease NMNM101058.

Gas will be measured and sold to Enterprise Products Partners (Enterprise) at the following off-lease, central delivery point (CDP) location:

Unit D, Section 10, T. 24N., R. 10W., on Federal Oil and Gas lease NMNM100805. Enterprise will operate and maintain the sales meter facility (meter no. TBD).

Oil production from the subject well will be stored and sold at the off-lease well site located in:

Unit L, Section 10, T., 24N., R. 10W. Please be advised that commingling of oil, condensate and gas from other leases is not authorized.

All other requirements listed in our July 3, 2013 letter are still in full force and effect. If you have any questions regarding the above, please contact me at (505) 564-7735.

Sincerely,

Jim Lovato
