Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Subject well was plugged 04/09/2013.

BP requests final abandonment approval for subject well. BP has stripped the equipment and per the landowner's agreement left the site and access road ungraded and not re-vegetated.

Please see attached landowner letter.

RE: Landowner – abandonment acceptance approval  
Well Name: Gartner LS #9  
Legals: NENE Section 33 T30N R8W

Dear Mr. Velasquez,

The above mentioned well site, on your property, was plugged & abandoned by BP America on 4/10/13. BP and the Landowner acknowledge and agree that BP may leave the property in its current condition with the well site and lease road unrestored and unrevegetated so that the Landowner may have the use thereof in its current state and condition.

BP is required to inform the NMOCD that the location and lease road have been left to the landowner's satisfaction. If the property meets your expectations, would you please sign and return this letter to me?

I (Paul M. Velasquez) Paul M. Velasquez, personally have inspected the well site and lease road and find the property in good order and to my satisfaction.

Thank you,

Jerry Van Riper
