**Subject:** P&A Brown #200

Brandon, The ownership of both the Fruitland Coal and Pictured Cliffs are the same in the Brown #200 (30-039-25382). Since there is already a CIBP above the PC – FTC perms, TEPC requests that the NMOCD's requirement that a plug be placed across the perms be waived. Plan to move A Plus on location Monday and start cementing operations Tuesday if the roads are OK.

Approved *Brandon Powell* 7/17/14
