Well: Pan Am State 36 #003

User Name	Comment	Comment Date
SHAYDEN	The well name for the new well, Pan Am State... must be the same for both wells in a gpu. The Pan Am St N2 #36 is mis named, as is the new well. They will both become Pan Am St. 36 #2 and #3. Please resubmit the APD with the proper form for the name of the new well.	3/28/2003
SHAYDEN	To elaborate on the prior comment, both well names must be the same, since they are on one property and both well numbers must be different. We can change the property name to what ever you like within these constraints.	3/28/2003
