NOTICE OF VIOLATION: Failure to MIT Hart Oil & Gas #117 Horseshoe Gallup Field Injection Well (Permit NN 21)

Dear Ms. Smelcer:

This Notice of Violation (NOV) is hereby issued for your failure to timely-test the mechanical integrity (MIT) of the above referenced injection well which failed its last MIT on February 13, 2014. No further extensions shall be granted.

This well must be returned to mechanical integrity, or plugged and abandoned, within 30 days of the date of this notice. In the meantime, this well is to remain shut-in and injection to cease until authorized by the NNEPA/UIC.

Your failure to comply with the above referenced matter subjects Hart Oil and Gas, Inc., or its successor, to enforcement by NNEPA with applicable penalties.

If you have any questions you may contact me at the UIC Program office in Shiprock at (505) 368-1041.

Sincerely,

 William E. Freeman
