13. Describe Proposed or Completed Operation (clearly state all pertinent details including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths or pertinent markers and sands. Attach the Bond under which the work will be performed or provide the Bond No. on file with the BLM/ BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notice shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

In an effort to return the above referenced well to production, QEP Energy Company hereby proposes to move up hole and recomplete the Chacra formation. Please see the attached procedure and wellbore diagrams for details.

QEP endeavors to have this work completed by September 30, 2013 at the latest. If you have any questions or require additional information, please feel free to contact me at 303-308-3060 or morgan.anderson@qepres.com
