13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

BP America Production Company would like to request final abandonment for the subject well, P&A'd 06/23/2011. On August 2013 the property was left to the Landowner's satisfaction. Please see the attached signed letter by the Landowners above.

RE: Landowner – abandonment acceptance approval
Well Name: Schwerdtfeger LS 2A
Legals: SWNW Section 27- T31N- R09W

Dear Mr. and Mrs. Sexton,

The above mentioned well site, on your property, was plugged & abandoned by BP America on June 23, 2011. BP and the Landowner acknowledge and agree that BP may leave the property in its current condition with the well site and lease road unrestored and unrevegetated so that Landowner may have the use thereof in its current state and condition.

BP is required to inform the NMOCD that the location and lease road have been left to the landowner's satisfaction. If the property meets your expectations, would you please sign and return this letter to me?

We (Dewey Sexton) Dewey Sexton and (Marcella Sexton), Marcella Sexton personally have inspected the well site and lease road and find the property in good order and to our satisfaction.

Thank you,

Jerry Van Riper
