13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Williams Production Company desires to conduct the completion of the above well by conducting cavitation operations which are anticipated to begin approximately January 9th and conclude approximately February 6th. For the portion of work occurring after the December 1st closure date the following will be observed:

- 1) Sound walls will be erected around the compressor package.
- 2) Daylight hours of operation will be observed & conducted Monday thru Friday.
- 3) Crews will travel together & traffic will be kept to a minimum.
- 4) Aztec rig #520 will be utilized for this work.
- 5) If excessively muddy conditions occur, work will suspend until dry enough conditions return.

14. I hereby certify that the foregoing is true and correct
