Final Abandonment Notice	I							
3. Describe Proposed or Completed Operati If the proposal is to deepen directionall Attach the Bond under which the work Following completion of the involved op	ly or recomplete horizontally, give will be performed or provide the perations. If the operation results	letails, including e subsurface loc e Bond No on in a multiple	ations and meas file with BLM completion or re	ing date of asured and tr M/BIA. Requestion	rue vertical di puired subseque in a new inte	work and appropriate of all perticular reports shall real, a Form 31	nent markers a be filed within 60-4 shall be i	nd zones. 30 days filed once
3. Describe Proposed or Completed Operating If the proposal is to deepen directional Attach the Bond under which the work Following completion of the involved operating has been completed. Final Attachment of the proposed in the proposed	ions (clearly state all pertinent di ly or recomplete horizontally, give will be performed or provide the perations. If the operation results pandonment Notices shall be filed ection.)	letails, including e subsurface loce Bond No on in a multiple of only after all	estimated starti- ations and mean file with BLM completion or re- requirements, i	ing date of asured and tra/BIA. Requescompletion including recompletions	any proposed rue vertical de uired subseque in a new inte clamation, hav	work and appropriate of all perti- ent reports shall arval, a Form 31- e been complete	nent markers a be filed within 60-4 shall be t d, and the ope	nd zones. 30 days filed once erator has
3. Describe Proposed or Completed Operating If the proposal is to deepen directional Attach the Bond under which the work Following completion of the involved op Testing has been completed. Final Attachment of the transport of	ions (clearly state all pertinent di ly or recomplete horizontally, give will be performed or provide the perations. If the operation results pandonment Notices shall be filed ection.)	letails, including e subsurface loc e Bond No on in a multiple d only after all	estimated starti- ations and mean file with BLM completion or re- requirements, i	ing date of asured and tra/BIA. Requescompletion including recompletions	any proposed rue vertical de uired subseque in a new inte clamation, hav	work and appropriate of all perti- ent reports shall arval, a Form 31- e been complete	nent markers a be filed within 60-4 shall be t d, and the ope	nd zones. 30 days fill day
3. Describe Proposed or Completed Operating If the proposal is to deepen directional Attach the Bond under which the work Following completion of the involved operating has been completed. Final Attachment of the proposed in the proposed	ions (clearly state all pertinent di ly or recomplete horizontally, give will be performed or provide the perations. If the operation results pandonment Notices shall be filed ection.)	letails, including e subsurface loce Bond No on in a multiple of only after all	estimated starti- ations and mean file with BLM completion or re- requirements, i	ing date of asured and tra/BIA. Requescompletion including recompletions	any proposed rue vertical de uuired subseque in a new inte clamation, hav	work and appropriate of all perti- ent reports shall arval, a Form 31- e been complete	nent markers a be filed within 60-4 shall be i d, and the ope	nd zones 30 days illed once erator has
3. Describe Proposed or Completed Operating If the proposal is to deepen directional Attach the Bond under which the work Following completion of the involved operating has been completed. Final Attachment of the proposed in the proposed	ions (clearly state all pertinent di ly or recomplete horizontally, give will be performed or provide the perations. If the operation results pandonment Notices shall be filed ection.)	letails, including e subsurface loce Bond No on in a multiple of only after all	estimated starti- ations and mean file with BLM completion or re- requirements, i	ing date of asured and tra/BIA. Requescompletion including recompletions	any proposed rue vertical de uuired subseque in a new inte clamation, hav	work and appropriate of all perti- ent reports shall arval, a Form 31- e been complete	nent markers a be filed within 60-4 shall be id, and the open ed on the	nd zones 30 days illed once erator has
3. Describe Proposed or Completed Operating If the proposal is to deepen directional Attach the Bond under which the work Following completion of the involved operating has been completed. Final Attachment of the proposed in the proposed	ions (clearly state all pertinent di ly or recomplete horizontally, give will be performed or provide the perations. If the operation results pandonment Notices shall be filed ection.)	letails, including e subsurface loce Bond No on in a multiple of only after all	estimated starti- ations and mean file with BLM completion or re- requirements, i	ing date of asured and tra/BIA. Requescompletion including recompletions	any proposed rue vertical de uuired subseque in a new inte clamation, hav	work and appropriate of all perti- ent reports shall arval, a Form 31- e been complete	nent markers a be filed within 60-4 shall be fi d, and the ope ed on the	nd zones 30 days illed once erator has APD from
3. Describe Proposed or Completed Operating the proposal is to deepen directional Attach the Bond under which the work Following completion of the involved of Testing has been completed. Final Attachemined that the site is ready for final inspection. EIM Ridge Exploration Co, L. 1/2" 10.5 J-55 to 5 1/2" 15	ions (clearly state all pertinent dipy or recomplete horizontally, give will be performed or provide the perations. If the operation results bendonment Notices shall be filed ection.) LC would like to charts.	letails, including e subsurface loc e Bond No. on in a multiple of only after all onge the pro	estimated startinations and mean file with BLM completion or repuirements, in coduction C	ing date of sured and translation in MBIA. Requesion including reconstruction including reconstruction including reconstruction in the manufacture	any proposed rue vertical di juired subseque in a new inte clamation, hav	work and appr. ppths of all perticular reports shall rval, a Form 31 e been complete	nent markers a be filed within 60-4 shall be fi d, and the ope ed on the	APD from
3. Describe Proposed or Completed Operating the proposal is to deepen directional Attach the Bond under which the work Following completion of the involved of Testing has been completed. Final Attachemined that the site is ready for final inspection. EIM Ridge Exploration Co, L. 1/2" 10.5 J-55 to 5 1/2" 15	ions (clearly state all pertinent dipy or recomplete horizontally, give will be performed or provide the perations. If the operation results bendonment Notices shall be filed ection.) LC would like to charts.	letails, including e subsurface loc e Bond No. on in a multiple of only after all onge the pro	estimated startinations and mean file with BLM completion or repuirements, in coduction C	ing date of sured and translation in MBIA. Requesion including reconstruction including reconstruction including reconstruction in the manufacture	any proposed rue vertical di juired subseque in a new inte clamation, hav	work and appr. ppths of all perticular reports shall rval, a Form 31 e been complete	nent markers a be filed within 60-4 shall be fi d, and the ope ed on the	APD from
3. Describe Proposed or Completed Operating If the proposal is to deepen directional Attach the Bond under which the work Following completion of the involved operating has been completed. Final Attachment of the proposed in the proposed	ions (clearly state all pertinent dipy or recomplete horizontally, give will be performed or provide the perations. If the operation results bendonment Notices shall be filed ection.) LC would like to charts.	letails, including e subsurface loc e Bond No. on in a multiple of only after all onge the pro	estimated startinations and mean file with BLM completion or repuirements, in coduction C	ing date of sured and translation in MBIA. Requesion including reconstruction including reconstruction including reconstruction in the manufacture	any proposed rue vertical di juired subseque in a new inte clamation, hav	work and appr. ppths of all perticular reports shall rval, a Form 31 e been complete	nent markers a be filed within 60-4 shall be fid and the ope ed on the	APD from
3. Describe Proposed or Completed Operating the proposal is to deepen directional Attach the Bond under which the work Following completion of the involved of Testing has been completed. Final Attachemined that the site is ready for final inspection. EIM Ridge Exploration Co, L. 1/2" 10.5 J-55 to 5 1/2" 15	ions (clearly state all pertinent dipy or recomplete horizontally, give will be performed or provide the perations. If the operation results bendonment Notices shall be filed ection.) LC would like to charts.	letails, including e subsurface loc e Bond No. on in a multiple of only after all onge the pro	estimated startinations and mean file with BLM completion or repuirements, in coduction C	ing date of sured and translation in MBIA. Requesion including reconstruction including reconstruction including reconstruction in the manufacture	any proposed rue vertical di juired subseque in a new inte clamation, hav	work and appr. ppths of all perticular reports shall rval, a Form 31 e been complete	nent markers a be filed within 60-4 shall be fid, and the ope ed on the	APD from
3. Describe Proposed or Completed Operating the proposal is to deepen directional Attach the Bond under which the work Following completion of the involved of Testing has been completed. Final Attachemined that the site is ready for final inspection. EIM Ridge Exploration Co, L. 1/2" 10.5 J-55 to 5 1/2" 15	ions (clearly state all pertinent dipy or recomplete horizontally, give will be performed or provide the perations. If the operation results bendonment Notices shall be filed ection.) LC would like to charts.	letails, including e subsurface loc e Bond No. on in a multiple of only after all onge the pro	estimated startinations and mean file with BLM completion or repuirements, in coduction C	ing date of sured and translation in MBIA. Requesion including reconstruction including reconstruction including reconstruction in the manufacture	any proposed rue vertical di juired subseque in a new inte clamation, hav	work and appr. ppths of all perticular reports shall rval, a Form 31 e been complete	nent markers a be filed within 60-4 shall be fid and the ope ed on the	APD from
3. Describe Proposed or Completed Operatif the proposal is to deepen directionall Attach the Bond under which the work Following completion of the involved op Testing has been completed. Final Attachemined that the site is ready for final inspection. Elm Ridge Exploration Co, L. 4. 1/2" 10.5 J-55 to 5 1/2" 15	ions (clearly state all pertinent diversity or recomplete horizontally, give will be performed or provide the perations. If the operation results bandonment Notices shall be filed ection.) LC would like to charge.	letails, including e subsurface loc e Bond No. on in a multiple of only after all onge the pro	estimated startinations and mean file with BLM completion or repuirements, in coduction C	ing date of sured and translation in MBIA. Requesion including reconstruction including reconstruction including reconstruction in the manufacture	any proposed rue vertical di juired subseque in a new inte clamation, hav	work and appr. ppths of all perticular reports shall rval, a Form 31 e been complete	nent markers a be filed within 60-4 shall be fid and the ope ed on the	APD from
3. Describe Proposed or Completed Operating the proposal is to deepen directional Attach the Bond under which the work Following completion of the involved of Testing has been completed. Final Attachemined that the site is ready for final inspection. EIM Ridge Exploration Co, L. 1/2" 10.5 J-55 to 5 1/2" 15	ions (clearly state all pertinent diversity or recomplete horizontally, give will be performed or provide the perations. If the operation results bandonment Notices shall be filed ection.) LC would like to charge.	letails, including e subsurface loc e Bond No. on in a multiple of only after all onge the pro	estimated startinations and mean file with BLM completion or repuirements, in coduction C	ing date of sured and translation in MBIA. Requesion including reconstruction including reconstruction including reconstruction in the manufacture	any proposed rue vertical di juired subseque in a new inte clamation, hav	work and appr. ppths of all perticular reports shall rval, a Form 31 e been complete	nent markers a be filed within 60-4 shall be fid and the ope ed on the	APD from
3. Describe Proposed or Completed Operatif the proposal is to deepen directionall Attach the Bond under which the work Following completion of the involved op Testing has been completed. Final Attachemined that the site is ready for final inspection. EIM Ridge Exploration Co, Lt 1/2" 10.5 J-55 to 5 1/2" 15 Add ust Cumud Vi 1/2" 10.5 J-55 to 5 1/2" 15 Add ust Cumud Vi 1/2" 15	ions (clearly state all pertinent diversity or recomplete horizontally, give will be performed or provide the perations. If the operation results bandonment Notices shall be filed ection.) LC would like to charge.	letails, including e subsurface loc e Bond No. on in a multiple of only after all the subsurface of	estimated startinations and mean file with BLM completion or repuirements, in coduction C	ing date of sourced and transfer of the sourced and transfer of the source of the sour	any proposed rue vertical diguired subseque in a new intellemention, having the transfer of th	work and appr. ppths of all perticular reports shall rval, a Form 31 e been complete	nent markers a be filled within the filled withi	APD from
3. Describe Proposed or Completed Operatif the proposal is to deepen directionall Attach the Bond under which the work Following completion of the involved op Testing has been completed. Final Attachemined that the site is ready for final inspection. EIM Ridge Exploration Co, L4 1/2" 10.5 J-55 to 5 1/2" 15	ions (clearly state all pertinent dry or recomplete horizontally, give will be performed or provide the perations. If the operation results bandonment Notices shall be filed ection.) LC would like to charge.	letails, including e subsurface loc e Bond No. on in a multiple of only after all the subsurface of	estimated startinations and mean file with BLM completion or repuirements, in coduction C	ing date of sured and traffic A/BIA. Requescent pletion including recompletion and traffic A/BIA. Sequence of the sured and traffic A/BIA. Requescent pletion including recompletion and traffic A/BIA. Requescent pletion including recompletion including recompletion including recompletion.	any proposed rue vertical diguired subseque in a new intellemation, having the transfer of the	work and appropriate of all pertiant reports shall avail, a Form 31 to been complete was approved.	nent markers a be filled within the filled withi	APD from
3. Describe Proposed or Completed Operatif the proposal is to deepen directionall Attach the Bond under which the work Following completion of the involved op Testing has been completed. Final Attachemined that the site is ready for final inspection. EIM Ridge Exploration Co, Lt 1/2" 10.5 J-55 to 5 1/2" 15 Add ust Cumud Vi 1/2" 10.5 J-55 to 5 1/2" 15 Add ust Cumud Vi 1/2" 15	ions (clearly state all pertinent dity or recomplete horizontally, give will be performed or provide the perations. If the operation results bendonment Notices shall be filed ection.) LC would like to charge.	letails, including e subsurface loc e Bond No. on in a multiple of only after all inge the professional surface. Sure C	estimated startinations and mean file with BLM completion or repuirements, in oduction conduction c	ing date of sured and translation in the sured and translation in the sured casing side and translation including recompletion.	any proposed nue vertical dipured subseque in a new intellementation, have ize that we have a subseque ize that we have a subsequence in a subs	work and appropriate of all pertiant reports shall avail, a Form 31 to been complete was approved.	nent markers a be filled within the filled withi	APD from
3. Describe Proposed or Completed Operatif the proposal is to deepen directionall Attach the Bond under which the work Following completion of the involved op Testing has been completed. Final Attachment that the site is ready for final inspection. EIM Ridge Exploration Co, L4 1/2" 10.5 J-55 to 5 1/2" 15 4. Thereby certify that the foregoin Name (Printed Typed) Signature Amy I	ions (clearly state all pertinent dely or recomplete horizontally, give will be performed or provide the certaions. If the operation results bendonment Notices shall be filed ection.) LC would like to charge.	etails, including e subsurface loc e Bond No on in a multiple of only after all inge the professional surface. Sure C Title Date	estimated startinations and mean file with BLM completion or representations of the requirements, in the conduction of t	ing date of sured and translation in the sured and translation in the sured casing side and translation including recompletion.	any proposed nue vertical dipured subseque in a new intellementation, have ize that we have a subseque ize that we have a subsequence in a subs	work and approphs of all pertiant reports shall aval, a Form 31 e been complete vas approv	nent markers a be filled within the filled withi	APD from
3. Describe Proposed or Completed Operatif the proposal is to deepen directionall Attach the Bond under which the work Following completion of the involved op Testing has been completed. Final Attachemined that the site is ready for final inspection.
