13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

This sundry is a request for approval of Final Abandonment on the subject well Plugged and Abandoned on January 24, 2006 and reclamation work was performed in June of 2006. Based on a site visit BP is requesting a FAN for said location as the re-vegetation is established and there is no further work to be performed at this site (see photos attached). Should you have any questions or concerns please contact Sabre Beebe, BP L48 Compliance Specialist at 970-779-9398 or sabre.beebe@bp.com
