13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomple horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recomple in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

XTO Energy Inc. requests approval for Final Abandonment of this well. XTO has completed final reclamation per the Conditions of Approval. The Final Surface Inspection for this well has been completed and approved by Randy McKee with BLM on June 13, 2017. This location is twinned with the Scott E Federal Com 15. Final Abandonment has been completed of the Scott E Federal Com 15 as well.
