13. Describe Proposed or Completed Operations (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once Testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Elm Ridge Exploration Co LLC would like to request final abandonment for this well. We feel the vegetation is sufficient. Randy McKee the inspector for the Bureau of Land Management and Amy Archuleta the Regulatory Supervisor for Elm Ridge inspected this location on 7-25-17. We agreed this inspection passed. We request this location be approved for Final Abandonment. The location currently serves as a CDP for the South Blanco 23-3 (30-045- 28163) and the South Blanco 23-4 (30-045-28280). The rest of the location will be reclaimed when these two wells are Plugged and Abandoned.
