Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

The Blanco 1 well was plugged and abandoned on 11/28/2016 and underwent full reclamation work. On August 30, 2017 Randy McKee, BLM and Sabre Beebe, BP visited site for the purpose of obtaining BLM approval of the re-contour work performed. Mr. McKee concurred that the location met all BLM reclamation requirements.
