☒ Other - Plat for PC interval

13. Describe Proposed or Completed Operations

See the attached plat for the PC interval that we inadvertently left off of the NOI dated 3/15/06 to change our Operations Plan from completing only the FC for the subject well to completing both the PC and FC formations and then DHCing them. We will be filing a DHC application before the well is commingled. The previous NOI was approved on 4/18/06 by Jim Lovato.

14. I hereby certify that the foregoing is true and correct.
