13. Describe Proposed or completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompletes horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with the BLM/BIA.

Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

The above referenced well was originally submitted on August 28, 2004. This Sundry Notice will change the total depth of the above referenced well.

From: 4,005' Total Depth

To: 8,900' Total Depth

The Drilling Program is revised as attached. All other information in the APD shall remain the same.

- This APD is approved for a TD of 8900', however TD can be anytime over the Morrison has been penetrated. Extra hole is also

NMB#000230
