Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Huntington Energy, L.L.C. requests permission to recompleate the above referenced well in the Gallup formation. The Dakota is a sub-economic completion and has been temporarily abandoned. Recompleation operations were inadvertently commenced prior to filing Sundry notice. Therefore, we request approval for completion in the Gallup formation.
