13. Describe Proposed or Completed Operation (clearly state all pertinent details including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths or pertinent markers and sands. Attach the Bond under which the work will performed or provide the Bond No. on file with the BLM/ BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notice shall be filed only after all requirements, including reclamantion, have been completed, and the operator has determined that the site is ready for final inspection.)

Chevron MidContinent L.P. needs to repair the plunger lift system in this well.  
However due to the antelope stipulations, Chevron MidContinent will need permission to erect a slick line unit at the subject well to repair the plunger lift. The procedure should take no longer than one (1) day.  
Therefore we request permission to erect the slick line unit.

Note: Ray Sanchez gave verbal approval to erect the slick line unit on 6/6/2006

**CONDITIONS OF APPROVAL**  
Adhere to previously issued stipulations.

14. I hereby certify that the foregoing is true and correct.
