Attached in sextuplet, is Chevron Mid-Continent, LP's Application for Permit to Drill for the above referenced location in San Juan County, New Mexico.

With the Chevron purchase of Pure Resources, HEC Petroleum, Unocal, and Hallwood Petroleum, company name changes were needed in order for Chevron Mid-Continent, LP to file for an extension of this APD. Due to the long process, on June 22, 2006, this APD was allowed to expire. Chevron Mid-Continent, LP requests that this APD be extended for another year. Nothing has changed from the original APD.

Should you have any questions or require additional information, please feel free to contact me at your convenience at 281-561-4896 or via email at [tljt@chevrontexaco.com](mailto:tljt@chevrontexaco.com).

Sincerely,

  
Teresa Jackson
