13. Describe Proposed or Completed Operations

A few of the pages in the APD don't reflect the correct information. Please find the following information to make the APD reflect the correct information pertaining to the location of the well. The cut & fill diagram, directions to the well, proposed p/i route, emergency response area, cathodic protection plan. The arch and EA reports submitted for the APD were for the correct footages and the Conditions of Approval have the right footages.

14. I hereby certify that the foregoing is true and correct.
