13. Describe Proposed or Completed Operations

It is intended to drill and complete the subject well in the Blanco Mesaverde (Pool Code 72319) and the Basin Dakota (Pool Code 71599). The production will be commingled according to Oil Conservation Division Order Number 11363. Allocation and methodology will be provided after the well is completed. Commingling will not reduce the value of the production. The State Land Office has been notified in writing of this application.

Notification of the intent to commingle the subject well was sent to all interest owners via certified mail on July 2, 2003. No objections were received.
