13. Describe Proposed or Completed Operations

It is intended to install a pond on the Northeast side of the San Juan 30-6 Unit #492 existing well location to prevent erosion on existing roadway. It is also intended to close 200' of roadway and remove existing gate on the 1/4/1/4 of Section 26 and reclaim as necessary, as shown on the attached aerial photography map. These locations have been arch cleared by Ray Medlock on 8/16/06. Negative arch report to be submitted shortly.

14. I hereby certify that the foregoing is true and correct.
