13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Upon completion of the drilling operations of this well, it has come to our attention that this well is located in San Juan County, not Rio Arriba County. Attached you will find a new C-102 (plat) and also the directionally surveys that were run while drilling. The previous API # that we had on this well was 30-039-29847. Please let me know if you need anything further.

14. I hereby certify that the foregoing is true and correct
