13. Describe Proposed or Completed Operations (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once Testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Coleman Oil & Gas, Inc. hereby requests an extension of six (6) months time in which to plug and abandon this well for the following reasons: (1) to evaluate the possibility of recompleat of the upper coal zone; (2) to evaluate the possibility of converting this well to a disposal well and; (3) to evaluate the possibility of re-entry into the Gallegos Gallup (Assoc). This written request comes as a follow up to a telephone discussion between Mike Hanson and Steven Mason. 9/16/07

14. I hereby certify that the foregoing is true and correct

IN REPLY REFER TO:

NMNM-33015 (WC)
3162.3-2 (21110)

February 23, 2007

Mr. Michael T. Hanson
Coleman Oil & Gas, Inc.
PO Drawer 3337
Farmington, NM 87499-3337

Dear Mr. Hanson:

Our records indicate that you are the operator of the following wells:

1) No. 1 West Fork, 940' FNL & 1560' FWL sec. 14, T. 26 N., R. 12 W., San Juan County, New Mexico, Lease NMNM-33015. The well last produced in November, 2005.

Title 43 CFR Section 3162.3-4 requires that the lessee shall promptly plug and abandon, condition as a service well, or condition as a water well, any well on a lease that is not used or useful for the purpose of the lease. Accordingly, you are required to advise this office by Sundry Notice within 30 calendar days of your intent to perform one of the following: a) Condition the well to a useful function, b) Temporarily abandon the well, c) Continued shut-in status, d) Permanently plug and abandon the well.

See attached General Requirements for Non-Producing wells on Federal leases.

The 30 calendar days commences upon receipt of this letter or seven days from the date it is mailed, whichever is less. Failure to comply within the 30 calendar days may result in an assessment in accordance with 43 CFR 3163.1.

Under provisions of 43 CFR 3165.3, you may request an Administrative Review of the orders described above. Such request, including all supporting documents, must be filed in writing within 20 business days of receipt of this notice and must be filed with the State Director, Bureau of Land Management (NM-93000), P. O. Box 27115, Santa Fe, New Mexico 87502-0115. Such request shall not result in a suspension of the order(s) unless the reviewing official so determines. Procedures governing appeals from instructions, orders or decisions are contained in 43 CFR 3165.4 and 43 CFR 4.400 *et seq.*

If you have any questions, please contact Stephen Mason with this office at (505) 599-6364.

Sincerely,

Stephen Mason
Petroleum Engineer, Petroleum Management Team
