13 Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

This well has a stuck pump and will not have production for the month of July. There is a rig in the area and should be on location in August. Production should resume in August. Dugan Production Corp. requests a suspension of operations.
