- 13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the final site is ready for final inspection.)

XTO Energy Inc. wishes to move frac equipment to/from the above location from/to a nearby well site. If pulling is required, XTO Energy will agree to repair and/or reclaim the road & areas damaged beyond the roadway limits upon completion of the activity. Received verbal approval from Brice Hammond with the Jicarilla Apache Tribe on 8/6/07.

Roads will be brought back to Gold Book Standards.
