f this is a pit closure: (1) attach a diagram of the facility showing the pit's relationship to other equipment and tanks. (2) Indicate disposal location: (check the onsite box if
your are burying in place) onsite X offsite I If offsite, name of facility . (3) Attach a general description of remedial action taken including
remediation start date and end date. (4) Groundwater encountered: No X Yes If yes, show depth below ground surface ft. and attach sample results. (5)
Attach soil sample results and a diagram of sample locations and excavations. 6) The pit was closed on 02-26-07
Additional Comments:
O DECEMED 3
The cut & fill diagram was submitted with the APD for the pit, which indicated direction and distance the pit was from the wellhead.
